Dear Safire Broker,

**EMAIL DISTRIBUTED IN ERROR**

As you may know, we are in the process of implementing our new and exciting policy administration system on the Nimbis platform.

Unfortunately these implementations do not always go according to plan: During a test conducted this morning, our over-enthusiastic team inadvertently activated the '**live emails**' setting, resulting in emails being sent to you in error.

Please ignore and delete any Safire renewal listing emails that were sent to you from [email@nimbis.co.za](mailto:email@nimbis.co.za).

We apologise for any confusion this may have caused.

We look forward to finalising the implementation and testing process and bringing you our new and exciting system in the near future.

If you have any queries in this regard, please do not hesitate to contact me.

**FOUTIEWE EPOS GESTUUR**

Soos jy mag weet, is ons in die proses om ons nuwe en opwindende polis administrasie stelsel op die Nimbis platform te implimenteer.

Hierdie implementasies loop ongelukkig nie altyd net vlot nie: Gedurende 'n toets vanoggend, het ons oorywerige span per abuis die '**live emails**' stelling geaktiveer, wat daartoe gelei het dat eposse foutiewelik aan jou gestuur is.

Ignoreer asb enige Safire hernuwings-eposse wat vanaf [email@nimbis.co.za](mailto:email@nimbis.co.za) aan jou gestuur is.

Ons vra om verskoning vir enige ongerief wat hierdie versoorsaak het, en sien daarna uit om hierdie proses te finaliseer en ons opwindende nuwe stelsel binnekort aan julle te bring.

Indien jy enige navrae in hierdie verband het, moet asseblief nie huiwer om my te kontak nie.

Kind regards / Vriendelike groete
