Safire

Dear Ruth

GOLF 911 COMMUNITY FOR LAW & ORDER: BASS FISHING COMPETITION 2021

The UAS (Umvoti Agricultural Society) and Golf 911 (Community for Law & Order) would like to thank **Safire Insurance** for the **R10'000.00** donation to the Bass Fishing Competition hosted for Golf 911 on Saturday 9 October 2021.

The 2021 Fishing Competition was a huge success with a record number of 206 entries. The UAS and G911 are very grateful with the generous funds that were raised from the various donations and entrance fees from the competition and it was a most enjoyable day all round!

We would like to thank everyone that both supported the competition and participated. Thank you to the farmers who allowed us to use their dams for the competition.

The Facebook page "Golf 911 Fishing Competition" displayed all the logos of the donors who supported this fundraiser.

As stated before, the funds raised for G911 are ringfenced and only used for projects pertaining to our organisation. The G911 Organisation has grown over the last year and we continue to serve our Community.

Please feel free to contact Mark Bauer on 082 865 4785 if there is any information you would like regarding G911.

The UAS looks forward to seeing G911 go from strength to strength as it continues to improve and better the service it provides to all in our community.

G911 would like to thank all the sponsors for the generous and very welcome donations made towards G911 and a big thank you to all the participants.

We hope to see you all again next year.

Yours faithfully

Neale Harman
