In addition to the amendments detailed in Endorsement 2401, which were communicated recently, please note that the following General exclusion will be incorporated in all Safire policies with effect from 1 August 2024:

We shall not be deemed to provide cover and shall not be liable to pay any claim or provide any benefit under this policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States of America or Republic of South Africa.

In order to provide our clients with the required 31 days' notice, please distribute this notice to all Safire policyholders by no later than 1 July 2024.

Please also provide us with written confirmation to brokers@safireinsurance.com that this endorsement has been distributed to all relevant policy holders.

We apologise for omitting this initially and for the inconvenience caused.
