

At Safire, we understand and cater for the requirements of selective niche markets and our Stellar range of products aims to address the needs of the most discerning high-end clientele.

The Stellar Farming policy is our premium **farming** insurance product for farmers with sophisticated needs.

What is special about the Stellar Farming policy?

In addition to providing the highly sought-after cover offered under the farming sections of our standard Farming policy, the Stellar Farming policy offers the added simplicity and convenience to high-income farmers who do not want the hassle of having to specify all their personal items under the Personal all risks section.

Who qualifies?

Minimum Houseowners sum insured (for primary residence) R3.5m

Minimum Householders sum insured (for primary residence) R1.0m

Tailormade cover
